

## KEY STAGES 1 & 2

### You are a Spy.

You are sent over the top - a hazardous journey into 'No Man's Land' to find the enemies' positions.

Report back and draw a map.

What was life really like in the trenches?

After a hot June in 1914 weather conditions deteriorated as winter approached. Write a letter home that will pass the censor. Give some clues as to what life was really like.

50 years have passed - now record your true story!
